DEAF CAMP began providing summer fun activities for Deaf and Hard-of-Hearing children and adults in 1973 by camp founder, Grace Nunery. The camp has grown and has served over 120 campers at various times. Campers have come from all over the United States, and the world: Jamaica, Guadeloupe, Denmark, Canada, Israel, France and England to name a few.

DEAF CAMP represents many types of communication systems, however, uses American Sign Language as the main communication source. Our counselors and staff are Deaf, Hard-of-Hearing, CODAs, and Interpreters.

DEAF CAMP provides the opportunity for children to meet new and old friends and the chance to participate in various activities.

DEAF CAMP is run entirely by volunteers. All counselors and staff give one week of their time, energy, and love. All donated funds go directly to the camp's programing and camperships. Indiana Deaf Camps Foundation is a 501 c (3) public charitable foundation and all contributions are tax deductible to the fullest extent provided by law.

DEAF CAMP is financially supported by businesses, individuals, service clubs, sororities, grants, and private donations.

DEAF CAMP provides financial assistance for campers who are unable to pay to attend camp.

DEAF CAMP is open to new volunteers who are Deaf, Hard-of-Hearing, CODAS, or Interpreters for the week-long camp.

DEAF CAMP is looking for new campers consistently and invite you to share this flyer with anyone who may benefit from our camp!
